

Job Description

Title: Customer Service Advisor

Summary/purpose: To contribute to the efficiency and effectiveness of the company by providing outstanding customer service to all provisions across the Itec Network.

Reporting to: Customer Support Manager

Supervising: N/A

Duties and Responsibility:

- Responsible for obtaining relevant customer information through appropriate communication channels e.g. telephone, email, messaging, correspondence, on-line and IT systems. Through proactive and reactive contact, using appropriate techniques to fully understand the customer's wants and needs and to verify understanding with the customer.
- Responding for using in-depth knowledge of Welsh Government and Itec products, services, processes and systems to deliver appropriate and desired customer outcomes.
- Responsible for finding solutions for customers and giving them best advice regarding our services, products and contracts.
- To be the first point of contact for all customers accessing all provisions across the Itec Network
- Responsible for working in partnership on a daily basis with internal and external teams to discuss individual customers wishing to join the provision.
- Responsible for working through provision referrals and be the first point of contact to each customer by offering a warm call to establish the information on the referral form and start the engagement process for the customer.
- Responsible for the coordination of all the eligibility documentation, registration, certification and compliance paperwork for all customers
- Responsible for booking the customer on the next available induction and run through all the necessary booking information with the individual.
- Responsible for sending the customer welcome information and paperwork.
- To be the main point of contact for the customer through the welcome process and before they start officially on any provision.
- Responsible for supporting teams regarding customers who fail to attend.
- Responsible for managing the in-work support process for each customer.
- Responsible for managing the tracking process for each customer.
- Responsible for managing the mentoring calls for each participant.
- Accountable for meeting the necessary contractual KPIs in relation to your role.
- Responsible for updating everything digitally in a timely manner, ensuring correct content, accurately and within a compliant manner.
- Responsible for dealing with complaints and queries in a timely, professional and effective manner.
- Responsible for dealing with all customer/ employer satisfaction surveys or telephone calls.
- To support with audit preparation on a regular basis ensuring all contractual requirements are addressed.
