What is JGW+?

JGW+ is a Government funded, training and development programme that will provide you with the **skills, qualifications and experience** needed to progress in your chosen career.

Whether you know what industry you want to work in, or not, we will provide you with the support and guidance to try as many options as you need.

JGW+ Strands

Jobs Growth Wales+ have three different strands to make sure that you get the support you need to progress.

1

Engagement

2

Advancement

3

Employment

1. Engagement Strand

JGW+ Engagement is the perfect balance of classroom-based learning and practical activities.

We make use of employer work placements, community projects, voluntary work and centre-based learning opportunities to widen your experience and build on your soft skills such as confidence and team working.

Discover your Potential

You will:

Be provided with 1-2-1 support to become work-ready or to progress into further education.

Have the opportunity to work with a range of local employers to confirm your occupational focus.

Be provided with the breadth and flexibility of skills you need to progress at the earliest opportunity.

Receive a training allowance of up to £60 a week and move onto your next step when complete.

2. **Advancement** Strand

JGW+ Advancement is for when you know what sector you would like to work in. We focus on delivering accredited qualifications in conjunction with placement experience.

You will:

Be supported through an individual learning plan with specific activities to strengthen your skills.

Learn about a subject, and gain experience with local employers.

Work towards one of our Level 1 qualifications.

Receive a training allowance of up to £60 a week and move onto your next step when complete.

3. Employment Strand

JGW+ Employment is for when you already have the skills required to commence a full-time, paid, employment opportunity.

We offer a bespoke programme to develop specific skills such as time management, creating a work/life balance, money management, and the skills required for you to be a successful employee.

Discover your Potential

You will:

Be fully supported for the first six months of employment with transition from full-time education to full-time employment is smooth and successful.

Be matched with job opportunities with local employers.

Be able to have a work trial and you'll become part of a company and receive a wage.

Receive an initial training allowance of up to £60 then a supported salary from employer.
